

Sorry I can't be with you, but it is also the annual meeting of St Columb Major TC tonight. Please give my apologies.

Since we last met it has been a relatively quiet period for Cornwall Council due, I expect to preparations for the Coronation. However, I did attend the pre agenda meeting of the Standards Committee.

I Chaired a meeting of the Denzell Downs Windfarm Fund where a grant was agreed towards the works needed at St Wenn Car Park. Grant Scape should be in touch with the details.

The Appeals Committee met in full to look at procedure for meetings and to agree on future policy.

I also attended a meeting with W.R.E.N to go through the applications for this year regarding monies allocated to St Columb Major. St Wenn has its own allocation.

Over two separate days interviews were conducted for a new Town Clerk for St Columb Major and subject to Town Council approval we have appointed a new Clerk.

The St Wenn Charity Fund, for which I am a Trustee, met to discuss their plans to take over ownership of the W.I Hall. Although I could not attend in person, I did send my written response in favour of the proposals.

I organised St Columb Major's Coronation Concert held on Coronation Day in the Recreation Ground which was a tremendous success, each child at the St Columb Major Academy received a Coronation Mug.

I am really sorry not to be with you this evening, but I will do my utmost to be with you all next time.
